

ACADEMIC AND OTHER POLICIES AND PROCEDURES

1. As well as employment and financial procedures, the University operates within a set of procedures governing academic and other matters that are established and maintained under delegated authority to the Vice-Chancellor, or to the Academic Board, as appropriate.
2. The University's main academic policies and regulations, as approved by the Academic Board, are set out in the University's Academic Handbook, which is normally published annually. The document is available from the Academic Registrar, Academic Services.
3. The Academic Handbook is available on website
