What has been your biggest achievement in your work so far?

What do you love about your career?

What would a normal day entail for you?

What are the biggest challenges you are facing in your industry?

What is the most important thing you learnt at University that prepared you for work?

What was your favourite Solent memory?

How do you see your industry developing in the future?

How has your career developed / what are your future career plans?

What advice would you give to current students?

Why would you recommend your course and Solent to others?

If you could take three items to a desert island, what would they be and why?

Is there any other information you think we should know?
