

Meningitis. Are you vaccinated?

**Check it,
don't
chance it.**

Meningitis* is a killer, so it's important to make sure you're vaccinated and to know the signs and symptoms.

The **MenACWY** jab protects against four types of meningitis and is free for all eligible students - if you're unsure if you've already had it, all it takes is a quick call to your GP.

Meningitis - check it, don't chance it.
