- The student must remain resident in Solent accommodation for the full contracted accommodation period to receive the accommodation discount.
- The offer is subject to room availability and applies only to eligible bookings confirmed by Solent University.

1. Accommodation discount (10%)

- The 10% discount is available to foundation and first-year students who accept and move into a room in Kimber or Chantry residences for the 2026/27 academic year.
- The 10% accommodation discount will be applied as an account credit to the student's final accommodation payment.
- Discount is applicable to all first-year students including cadets when studying on courses over 35 weeks in length.
- Students are required to pay all scheduled accommodation instalments in full during the academic year.
- The credit will be calculated based on the eligible contracted accommodation fees and applied only to the final rental instalment.
- If a student withdraws from the University, terminates their accommodation contract early, or ceases to live in Solent residences before the end of the contracted period, the discount will be withdrawn and no credit will be applied.
- The discount may provide a saving of up to £700, depending on room type and contract length.
