Anna Christoforou, 2025 Graduate
@annachristoforumua

Congratulations on your successful application!

Welcome to the BA (Hons) Make-up & Hair Design at Solent University. We hope you enjoy your summer break and look forward to meeting you in the Welcome Week starting Monday 21st September 2026

To help you prepare for your first few weeks of study and to get you thinking like a Make Up & Hair designer we have devised a summer project. This project encourages you to showcase your inspirations and reflect on who you are as a designer. This is an opportunity to capture a vision of how you wish to introduce yourself to this industry. Aiming to begin an exploration into identity and design, which you will continue to develop further in your first-year modules.

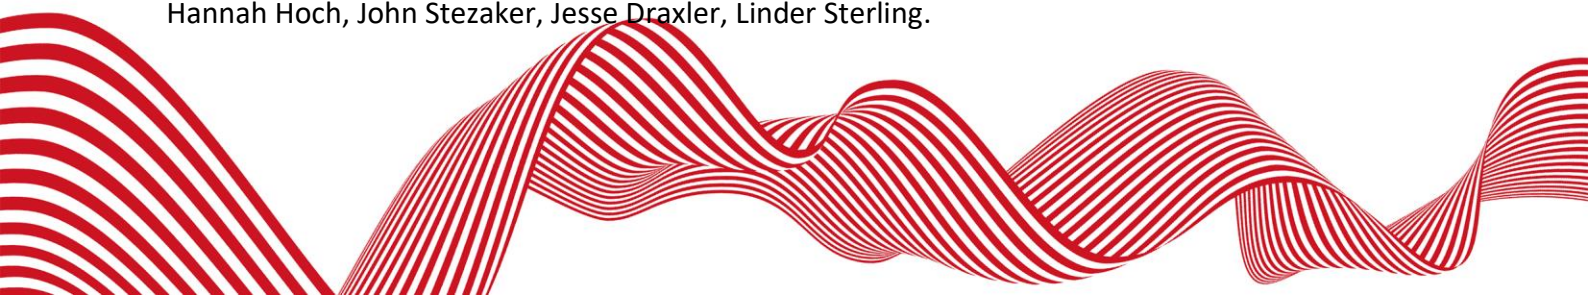

Summer Project 2025. *Introducing your creative identity*

For your summer project you must create a collage that best showcases who you are – or imagine yourself becoming as a make-up and hair designer. Using photomontage and collage techniques, create a moodboard that shows us who you are as a creative, including (but not limited to): what inspires you, personal style, textures, colour palettes, designers or artists that began your journey into design etc.

Your collage must be physical and at least A3 in size! Try to use a variety of imagery and materials to create your work, e.g. magazine tears, cut outs, cosmetic smudges, fabrics, wallpaper, photographs, postcards, etc.

It would also be helpful to research artists and designers who explore collage, photomontage and identity in their work, for example: Pablo Thecuadro, Ernesto Artillo, Koji Nagai, Gina Kiel, Hannah Hoch, John Stezaker, Jesse Draxler, Linder Sterling.

We will be discussing your mood boards during your introduction session so please make sure to bring this with you during your 1st week!
