Good morning, why'd you wake me?
When I haven't slept much lately
I was having that same old dream again
The one that finally look my head and win

'Cause all I hear is, "I love you so much"
But it starts to mean nothing
When my heart is shut from you
My heart is shut from you
I wrote down the soundtrack of giving up
And the songs go like this on my Greatest Hits
Oh-oh, oh, it's love, yeah

7 p.m., let it sink in
I've been living dark in the back of the deep end
Now it's 3 a.m., everybody goes home alone
Shake me up and watch me in my
7 p.m., let it sink in
I've been living dark in the back of the deep end
Now it's 3 a.m., everybody goes home alone
Shake me up and watch me in my snow globe

In the daytime, I get to debate myself
And quiet all the evil things I say like:
"Everybody hates you", "People miss the old you"
"They hate everything that they all changed you into"
Into, into, into
Yeah, yeah

I've been dead since 2016
So good morning, can you fix me?
My tiny little world is in your hands
So shake it like a snow globe, fuck my plans

'Cause all I hear is, "I love you so much"
But it starts to mean nothing
When my heart is shut from you
My heart is shut from you
My tiny little world is in your hands
So shake it like a snow globe, fuck my plans for good
For good

7 p.m., let it sink in
I've been living dark in the back of the deep end
Now it's 3 a.m., everybody goes home alone
Shake me up and watch me in my

This is the soundtrack to
Us giving up, living down
Getting out, getting us
Giving up, living down
Getting out, getting us
Giving up, living down
Getting out, getting us
Giving up, living down
Getting out, getting us
Giving up, living down

Getting out, getting us
Giving up, living down
Getting out, getting us
Giving up, living down
Getting out, getting us
Getting out

DEMI LOVATO

the way you don't look at me

the way you don't
look at me

I've lost 10lbs in 2 weeks 'cus I told me
I shouldn't eat / Gained a new vice
way more than twice I've slept on
bathroom floors / I've lost my temper
locked in my fingers / Looking for
answers there aren't really answers
for / I've been to hell and back / But
this isn't that / Cause when you say
nothing / Its much worse than things
I've overcome and / This hurts
harder than my time in heaven / You
think I don't see / The way / you don't
look at me / Turned off the tv I closed
the windows / So tell me what's on
your mind what makes you so selec-
tive / I'm not afraid of natural disasters
/ But I'm so scared if I understand that
you won't love me after / And I've
been to hell and back / But this isn't
that / Cause when you say nothing
/ Its much worse than things / I've
overcome and / This hurts harder
than my time in heaven / You think I
don't see / The way / you don't look
at me / The way / you don't look
at me / I've been to hell and back / But
this isn't that / As a matter fact / As
a matter fact / Cause when you say
nothing / Its much worse than things
/ I've overcome and / This hurts
harder than my time in heaven / You
think I don't see / The way / you don't
look at me

Trivia 轉 : Seesaw

시작은 뭐 즐거웠었네
 모르막내리막 그 자체로
 어느새 서로 지쳐버렸네
 의미 없는 감정소모에

반복된 시소 시소게임
 이를 되니 지겨워 지겨워
 반복된 시소 시소 게임
 우린 서로 의해서 지겨워 갔네

사소한 말다툼이 시작이었을까
 내가 너보다 무거웠었건 순간
 때문에 발명은 존재한 적이 없기에
 더욱이 확실내서 맞추려 했을까
 사랑이었고 이게 사랑이란 단어의 지체
 굳이 반복해야 할 필요 있었을까
 서로 지쳤고 깊은 커드를 쥐고 있는 뜻이
 그렇다면 뭐

All right 반복된 시소게임
 이제서야 끝을 내보려 해
 All right 지겨운 시소게임
 누군간 여기서 내려야 돼
 할 순 없지만

누가 내릴지 말한 시소는 지워
 그처럼 가는 대로 길을 묻지 말고
 어떤 내릴지 말지 끝을 내보지고
 반복되는 시소게임
 이런 그만해

지금에는 누가 더 무거운지
 자랑하여 서로 비라보여 못지
 이제는 누가 무거운지를 두고
 경쟁을 하게 되었네
 되려 싸움의 불씨
 누군가는 결국 이곳에서
 내려야 끝이 날 듯하네
 가식 섞인 서로 위하는 식
 더는 말고 이런 표정해야 돼

서로 마음이 없다면
 서로 생각해 봤다면
 무리가 아니라도 실질 끝났을까
 이제 마음이 없다면
 이 시소 주는 위험해 위험해
 내 생각과는 달리

All right 반복된 시소게임
 이제서야 끝을 내보려 해
 All right 지겨운 시소게임
 누군간 여기서 내려야 돼
 할 순 없지만

[Hof up Hof up] 누가 있는 이 시소 위를 걸어
 [Hof up Hof up] 누가 있던 처음으로 그대처럼
 [Hof up Hof up] 누가 있는 이 시소 위를 걸어
 [Hof up Hof up] 누가 있는 이 시소에서 내려
 All right 반복된 시소게임
 이제서야 끝을 내보려 해
 All right 지겨운 시소게임
 누군간 여기서 내려야 돼
 할 순 없지만

누가 내릴지 말한 시소는 지워
 그처럼 가는 대로 길을 묻지 말고
 어떤 내릴지 말지 끝을 내보지고
 반복되는 시소게임
 이런 그만해

[Hof up Hof up] 누가 있는 이 시소 위를 걸어
 [Hof up Hof up] 누가 있던 처음으로 그대처럼
 [Hof up Hof up] 누가 있는 이 시소 위를 걸어
 [Hof up Hof up] 누가 있는 이 시소에서 내려

Melanie Martinez

I'm glued to the thoughts in my mind
They pester, they go walk in the sky
I am glued to the love in you
It swallows me, hold your heart 'til it goo
Oh, that's not what I wanna do
Perfectly attached like a noodle in the soup
You're glue with the XYZ (YZ), I'm glued with the ABC
And DEFG, HIJK, baby
We all have a strong suit spelled differently
Different experience, different needs
I know we can't die at the same time they're playing

I don't wanna think about the morbid parts of life no more
I'm trying just to look at some of the things that hold me so damn close and
Sticky, sticky, stuck, and solid, you sealed up to this reality
I'm seeing not what I wish, to be achieving the old idea of me is

Glued up, sometimes it's too much
I'm fucked up and clueless (clueless)
Stuck in the vortex, stuck in the vortex
Clueless, life would be boring
Empty but no hurting (hurting)
Is it necessary to touch when it's scary?

When my petty feet start to sway (sway)
You better turn around the other way (walk away)
When the doubt starts creeping in (oh no)
It's hard to let go of all instinctual

Patterns that I picked up from a environment since a baby
Cut the negatives, self talkin', cut out my procrastination
Being sticky, stuck, glue those old habits shut
Pace me to a new way of being
Something to breathe new life in me again

Glued up, sometimes it's too much
I'm fucked up and clueless (clueless)
Stuck in the vortex; stuck in the vortex
Clueless, life would be boring
Empty but no hurting
Is it necessary to touch when it's scary?

Glued up, sometimes it's too much
I'm fucked up and clueless
Clueless
Clueless, life would be boring
Empty but no hurting
Hurting oh, oh

Glued up, sometimes it's too much
I'm fucked up and clueless (clueless, I'm clueless)
Clueless, life would be boring
Empty but no hurting
Is it necessary to touch when it's scary?

Okay, here we go

I'm sat inside a goldfish tank where people fix themselves with rubber bands
I don't want them to believe that I am different
I'm on a ledge that's two feet high and contemplating silent suicide
When everybody seemed to make it

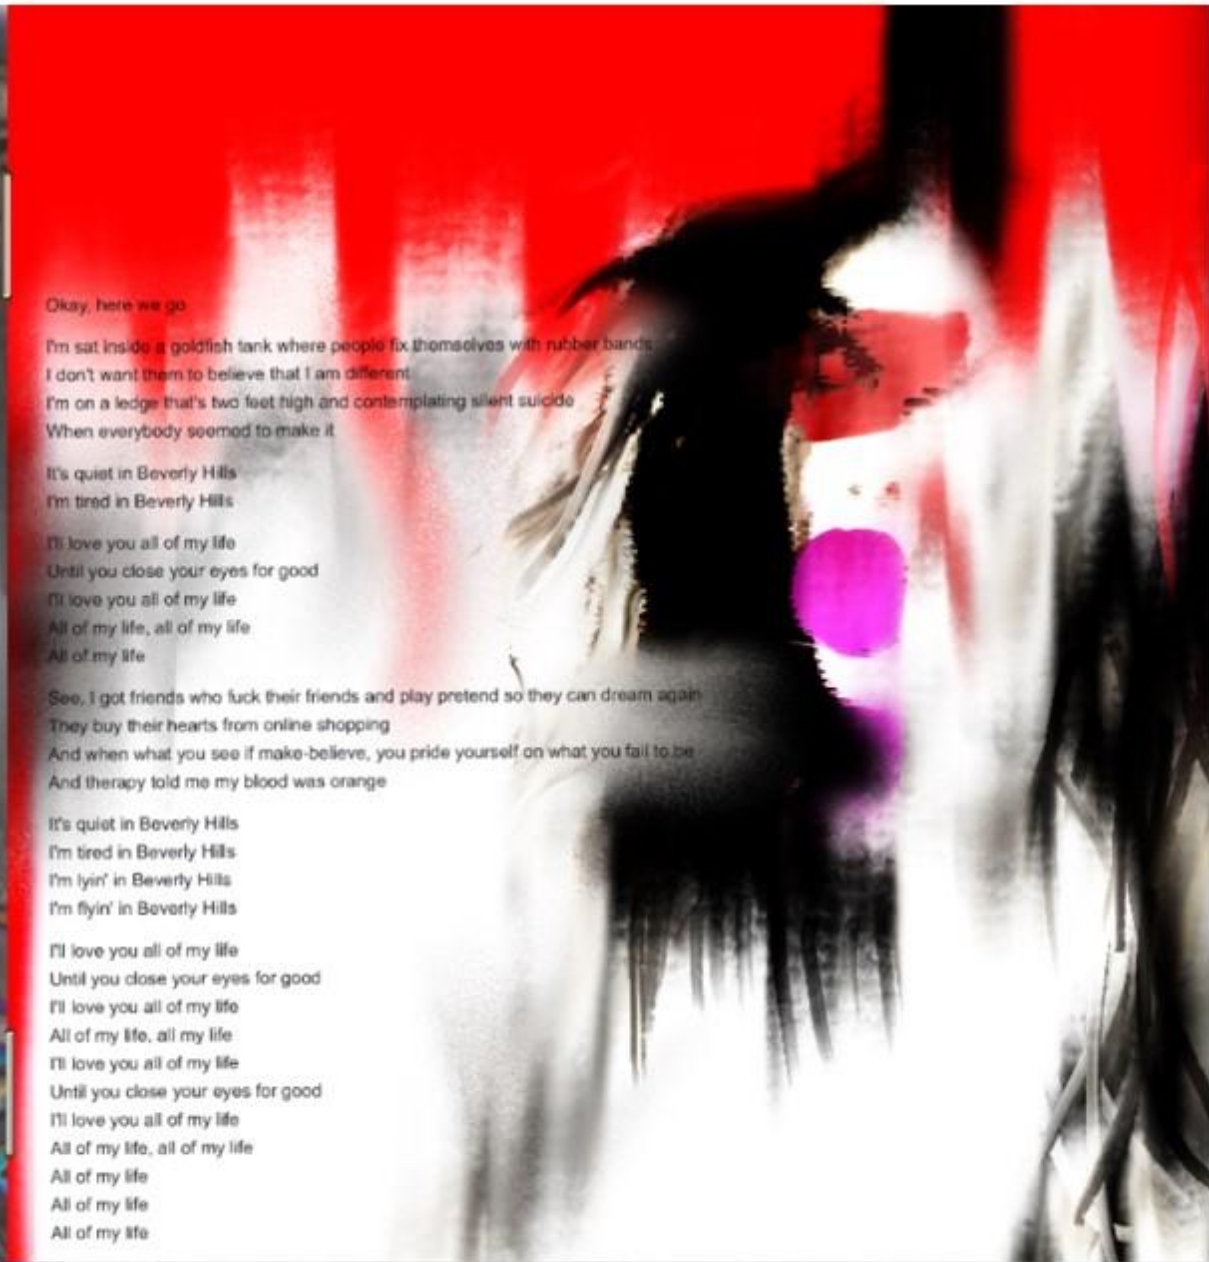

It's quiet in Beverly Hills
I'm tired in Beverly Hills

I'll love you all of my life
Until you close your eyes for good
I'll love you all of my life
All of my life, all of my life
All of my life

See, I got friends who fuck their friends and play pretend so they can dream again
They buy their hearts from online shopping
And when what you see is make-believe, you pride yourself on what you fail to be
And therapy told me my blood was orange

It's quiet in Beverly Hills
I'm tired in Beverly Hills
I'm lyin' in Beverly Hills
I'm flyin' in Beverly Hills

I'll love you all of my life
Until you close your eyes for good
I'll love you all of my life
All of my life, all of my life
I'll love you all of my life
Until you close your eyes for good
I'll love you all of my life
All of my life, all of my life
All of my life
All of my life
All of my life

PALAYE ROYALE

Lonely

So sick and tired of being alone
So long, farewell, I'm on my own
I'm sorry mom, I've got to go
I dug this grave I call my home

My life don't mean that much to me
So I'm living for you
Yeah, I'm living for you
And you can't stand the sight of me
So what's the point of this
Fucked up catastrophe?

I'm waiting for my time to start
As I waste it
As I waste it
I pop the pills to waste some time
As I'm faded
As I'm faded

This shit messes with my head
The only home I know is my bed
Too lazy for suicide
I just watch the days pass hoping to die

So sick and tired of being alone
So long, farewell, I'm on my own
I'm sorry mom, I've got to go
I dug this grave I call my home

So sick and tired of being alone
So long, farewell, I'm on my own
I'm sorry mom, I've got to go
I dug this grave I call my home

Daydreaming of my funeral
Like who would show, bet no one would go
Hey dad, would you show up for me now?
Just to bury your little boy in the ground

You broke my heart when you left me
Was just waiting
Was just waiting
I pop these pills to waste some time
As I'm faded
As I'm faded

This shit messes with my head
The only home I know is my bed
Too lazy for a suicide
I just watch the days pass hoping to die

So sick and tired of being alone
So long, farewell, I'm on my own
I'm sorry mom, I've got to go
I dug this grave I call my home

So sick and tired of being alone
So long, farewell, I'm on my own
I'm sorry mom, I've got to go
I dug this grave I call my home

I dug this grave I call my home
I dug this grave!

MONSTERS

All Time Low

Why do all the monsters come out at night?
Why do we sleep where we want to hide?
Why do I run back to you
Like I don't mind if you fuck up my life?

Another day, 'nother headache in the hangover hotel
Gettin' used to the rhythm, yeah, I know this beat too well
Tunnel vision's got me feeling like you're the only one I see
But I know what's missing when I'm swimmin'
In my lonely luxury

I'm wondering why do all the monsters come out at night?
Why do we sleep where we want to hide?
Why do I run back to you
Like I don't mind if you fuck up my life?
Why am I a sucker for all your lies?
Strung out like laundry on every line
Why do I come back to you
Like I don't mind if you fuck up my life?

I'm addicted to the way you hurt, the way you contradict me
I swear everything look worse at night, I think I'm overthinking
I don't care who I might hurt along the way, I'm fuckin' sinking
Into every word, I don't care if you're lyin' when I'm drinking

So, tell me pretty lies, look me in my face
Tell me that you love me, even if it's fake
You can lead me on and I have these questions in my sheets
I'm under it, I made my bed and I'm still wonderin'

I'm wondering why do all the monsters come out at night?
Why do we sleep where we want to hide?
Why do I run back to you
Like I don't mind if you fuck up my life?
Why am I a sucker for all your lies?
Strung out like laundry on every line
Why do I come back to you
Like I don't mind if you fuck up my life?

Thinkin' about you, you're in my head
Even without you, I still feel dead
Why do I run back to you
Like I don't mind if you fuck up my life?
Dead, thinking about you, you're in my head
Even without you, I still feel dead
Why do I run back to you
Like I don't mind if you fuck up my life?

I'm wondering why do all the monsters come out at night?
Why do we sleep where we want to hide?
Why do I run back to you
Like I don't mind if you fuck up my life?
Why am I a sucker for all your lies?
Strung out like laundry on every line
Why do I come back to you
Like I don't mind if you fuck up my life?

Like I don't mind if you fuck up my life

BRING ME
THE HORIZON

TEARDROPS

We hurt ourselves for fun
Force feed our fear until our
hearts go numb
Addicted to a lonely kind of love

I'm running out of teardrops
Let it hurt 'til it stops
I can't keep my grip
I'm slipping away from me
Oh god, everything is so fucked
But I can't feel a thing
The emptiness is heavier than
you think

Suicidal, violent tragic state of mind
Lost my halo, now I'm my own
anti-christ

What I wanna know..
Is how we got this stressed out,
Paranoid
Everything [s] going dark
Nothing makes me sadder than
my head

I'm tripping on the edge
High as a kite, I'm never coming
down
And if you hear me
Guess you know how it feels
To be alone
So how'd we get this stressed out?
Paranoid
Everything is going dark
Nothing makes me sadder than
my head
