## Welcome to the first-ever digital garment upcycling platform!

This innovative mobile application will allow you to design a creative digital up-cycle model of your old or unwanted garment and give it a second (better!) life. Design up-cycled garments, meet friends and gain point to exchange them for unique prices and let your imagination go WILD! Don't wait and visit your profile! It is just one click away.

**Improve skills**

**Boost Imagination**

**Become Mindful**

Our goal is to introduce you to the importance of re-purposing. We desire to assist you in translating ideas into reality, help you develop existing skills, awaken your passion, and boost imagination.

I've created a whole new wardrobe with relovey's help! It's great!

★★★★★ Maria, 14

The amount of clothes I throw away has significantly decreased

★★★★★ Brody, 17

I am getting much better at arts and crafts with help of relovey

★★★★★ Julia, 9

UP-CYCLE NOW

## Read it - Love it - Work with it!

### Trend Articles with popular fashion styles

In this section, you will find articles about top fashion styles straight from runways and save them to your relovey design space (workspace). Each article contains descriptions, photos, and helpful tips on how to up-cycle a particular trend.

**Love a trend?** By adding it to your favorites , your loved trend will automatically load itself into your workspace.

## Article Section

search for particular article / enter key word

### cut that hole - small and large cutouts

Get on the action! Cut that hole and don't be afraid to do so. One-shoulder cut-outs, holes in the waist, open back and multiple small cuts is the fashion trend that must have its place in your wardrobe. From geometric to flower shapes, zig-zags...

[explore more...](#)

### put a lace on it - patterns and application

Lace had played a role in fashionable dress since it was developed in the sixteenth century. Loosely defined, lace can be any nonwoven, light, openwork fabric. Lace appears everywhere from the doilies on a armchair to edgings on garments
