CAREERS IN MARITIME
YOUR OPEN DAY

Saturday 18 June 2022

Head to the Spark building to register from 9.30am. Our team will be on hand to talk you through the day and make sure you make the most of what Solent has to offer.

The Spark is your hub for the day and includes our shipping company hub, academic teams and services stands.

You'll also have an opportunity to attend one of our 'Life as an Officer' presentations and talk to our cadets about life at Solent University.

The Spark is also where you will find East Park Deli, which will be open all day serving beverages and hot and cold lunch options.

For a full programme of events, please see page 10.

THE POD

The Pod is designed to reflect the region's nautical heritage, our strong maritime links and our forward-looking ethos. It was built by a ship builders, CIG Architecture, in the Netherlands using the same techniques for creating curved panels for ships. The Pod is designed by Scott Brownrigg and was engineered by Scott White and Hookins. This company also worked on the sculpture in the Stratford Olympic Park (ArcelorMittal Orbit).

Our sports complex provides improved sport and physical activity facilities for all students, and superb teaching spaces for our sport, health and fitness related degree programmes.

THE NEW SPORTS COMPLEX FEATURES:

- Two sports halls (including performance, events and multi-purpose facilities).
- · Two fitness studios and spin studio.
- General purpose gym.
- · Strength and conditioning high performance gym.
- · Health and fitness, and personal training teaching gyms.
- · Sports and exercise therapy clinical space.

Head to the venue to speak to the Solent Sports Team and take a guided tour of the facilities. Our team will welcome you at the main entrance of the building.
