Welcome to Southampton Solent University's open day, we're so excited to welcome you to our state-of-the-art campus and hope your visit allows you to get a real feel of what it's like to be a student here.

During your visit, you'll see why we have been awarded triple gold for teaching excellence (2023) with tours of our amazing facilities, by speaking to our academics about our courses, visiting the accommodation and meeting with our support teams who can answer any questions you have on student life here at Solent.

If you have any questions speak to one of our friendly Student Ambassadors, or visit one of the Information points located within the Spark, where one of the team will be very happy to help you.

We hope you have a fantastic day!
