Scope and Purpose

1. This document is designed for use by Solent University (SU) staff when evaluating applicants for entry to undergraduate and postgraduate taught programmes. This includes all students from the UK, EU and Non-EU.
 2. SU offers places to its programmes primarily on the basis of UCAS tariff points, which includes international equivalencies as mapped by UCAS. SU has also designed the Solent NARIC as a means of evaluating entry standards when using international qualifications.
 3. SU benchmarks its English Language requirements against the Common European Framework of Reference for languages (CEFR) and the International English Language Testing Service (IELTS).
 4. Where applicants require a student route Visa, SU's benchmarks also satisfy the UK Visa and Immigration's (UKVI) minimum English Language requirements of CEFR B2. The UKVI's list of approved assessments is called the 'Secure English Language Tests' (SELT).
 5. Additional details regarding the SU Standards of English can be found in the following appendices:
 - a. Appendix A: Exemptions and Exceptions
 - b. Appendix B: Acceptable English Language qualifications for students requiring a Student visa
 - c. Appendix C: European school leaving/matriculation certificates equivalent to IELTS (Academic) 6.0 overall
 6. The Course Entry Requirements Statements should always be viewed in conjunction with the University Admissions Policy.
 7. The statement is influenced by the Governments' immigration regulations for a Student Visa Route applicant. Thus, is subject to change throughout the admissions cycle.

Maritime Courses

Entry requirements for maritime courses are governed by the Maritime Coastguards Agency (MCA). These are issued in the form of an M Notice (Marine Notice (MSN- Marine Shipping Notice, MGN - Marine Guidance Notice, MIN - Marine Information Notice) and are available via the gov.uk website. Every Certificate of Competency has a different M Notice which sets out and explains the regulatory requirements of training requirements, sea service and examinations.

ENGLISH LANGUAGE REQUIREMENTS

APPENDIX A: EXEMPTIONS AND EXCEPTIONS

11. Under current UKVI regulations, an exemption is provided for applicants who are nationals of 'Majority English Speaking Countries' from having to provide evidence of English proficiency when applying for a Visa. These exemptions will also be sufficient to meet SU's English Entry Requirement, though applicants should have completed the equivalent of GCSE Grade 4 / A-C in English in order to meet the requirement of GCSE level literacy. Please contact the Admissions and Enrolment team for assistance in making this determination if required.

12. As per the current Immigration Rules, the list of 'Majority English Speaking Countries' is:

- Antigua and Barbuda
- Australia
- the Bahamas
- Barbados
- Belize
- Canada
- Dominica
- Grenada
- Guyana
- Ireland
- Jamaica
- Malta
- New Zealand
- St Kitts and Nevis
- St Lucia
- St Vincent and the Grenadines
- Trinidad and Tobago
- the USA

13. Nationals of the UK and Republic of Ireland do not require a Student Visa, and therefore are not included in the list above.

14. If an applicant has completed a qualification recognised by NARIC to be equivalent to a Bachelor's Degree in English from any of the countries listed below, they are also exempt from having to provide additional evidence of their English level to meet either SU or the UKVI's English Entry requirement.

- Antigua and Barbuda
- Australia
- the Bahamas
- Barbados
- Belize
- Dominica
- Grenada
- Guyana
- Ireland
- Jamaica
- Malta
- New Zealand
- St Kitts and Nevis
- St Lucia
- St Vincent and the Grenadines
- Trinidad and Tobago
- United Kingdom
- the USA

15. If an applicant has completed a qualification recognised by NARIC to be equivalent to a Bachelor's degree in English from Canada, they must provide evidence from the awarding university to confirm that the degree was taught and assessed in English. They are then exempt from having to provide additional evidence of their English level to meet SU's English Entry requirement.

16. Where a Bachelor's degree from an English speaking country is older than two years and the administrator has well founded doubt about the applicant's potential to succeed on his/her SU degree course, further assessment measures should be taken

and the applicant could be asked to provide further evidence of his/her English language skills. Such cases should be referred to the Admissions Manager.

17. SU has determined that applicants who successfully complete a Top Up programme or similar are also exempt provided they complete it in one of the countries listed in point 2 of this section and that NARIC agrees that a student graduating with the qualification in question is UK Bachelor's Degree equivalent.

APPENDIX B: ACCEPTABLE ENGLISH LANGUAGE QUALIFICATIONS FOR STUDENTS REQUIRING A STUDENT ROUTE VISA

18. The column details English language qualifications accepted by the University and the grade required for equivalence to IELTS Academic 6.0. The only exception to this is our Adult Nursing Course requires and IELTS Academic 7.0. Where a qualification's lowest passing grade is equivalent to a higher IELTS band this is specified. **All qualifications must be assessed to ensure that all four components of speaking, listening, reading and writing meet the minimum grade requirements.**
19. The table below indicates what will be accepted for Student Visa Route applicants. These applicants must meet the Home Office English language proficiency requirements for visa purposes, to which the University standards are aligned. Student Visa Route applicants are advised that:
 - a. For degree level courses at NQF 6 and above, the Home Office require CEFR B2 equivalent (IELTS 5.5) in all components (reading, listening, writing and speaking). As a Student (Visa) Sponsor, for degree level and above the University is able to use its own methods of assessment to evidence language proficiency. This includes the Cambridge ESOL, IB and European qualifications listed in Appendix C.
 - b. For sub-degree courses the Home Office require CEFR B1 equivalent (IELTS 4.0) in all four components, this must be evidenced via a Home Office recognised Secure English Language Test (SELT) - IELTS for UKVI, Language Cert International ESOL SELT, Trinity College ISE level 2 & 3, Pearsons PTE Academic UKVI or Skills for English UKVI (4 components).
 - c. All non-specified courses/awards below NQF 3-5 require minimum language entry at CEFR B1 in all four components e.g. IELTS: 4.0 in all elements.
20. Tests used must be within their validity date for visa purposes - this is typically for two years.
21. Please see Home Office Secure English Language Tests (SELT) list for what paperwork is required for tests taken after 11 September 2020_ <https://www.gov.uk/guidance/prove-your-english-language-abilities-with-a-secure-english-language-test-selt>.
22. The Annex is influenced by the Governments' immigration regulations for a Student Visa Route applicant. Thus, is subject to change throughout the admissions cycle.
