"I didn't know what I wanted to do when I left sixth form, so the foundation course is great – it gives me an opportunity to obtain a degree, even though I didn't have the relevant A-levels, and get my career off to a good start."

52 THINGS TO DO

Thinking about going to uni? Not sure where to begin? Our 52 Things To Do guide is there to help you every step of the way.

From picking the degree that's right for you to registering with UCAS. From writing your personal statement to moving in. We've got it covered.

A PLACE OF YOUR OWN

Student accommodation is more than a roof over your head. It's a place of your own, filled with friends and fun. So we know how important it is to get your accommodation right.

YOUR ACCOMMODATION TOUR

We have two residences open today from 9.30am – 3.30pm. Head down to our Kimber residence if you wish to take a tour. Afterwards, you can also visit the Chantry residence. The Kimber residence offers ensuite accommodation and the Chantry residence offers non-ensuite, so we recommend visiting both to compare and contrast. Our map on pages 18–19 details the walking route and the locations of our residences, all of which are just a 10–20 minute walk from the campus.

PREFER TO TAKE THE COACH?

Hop on our free shuttle bus from East Park Terrace down to our Kimber residence. It departs from outside the library every 30 minutes until 3pm.

FIND OUT MORE

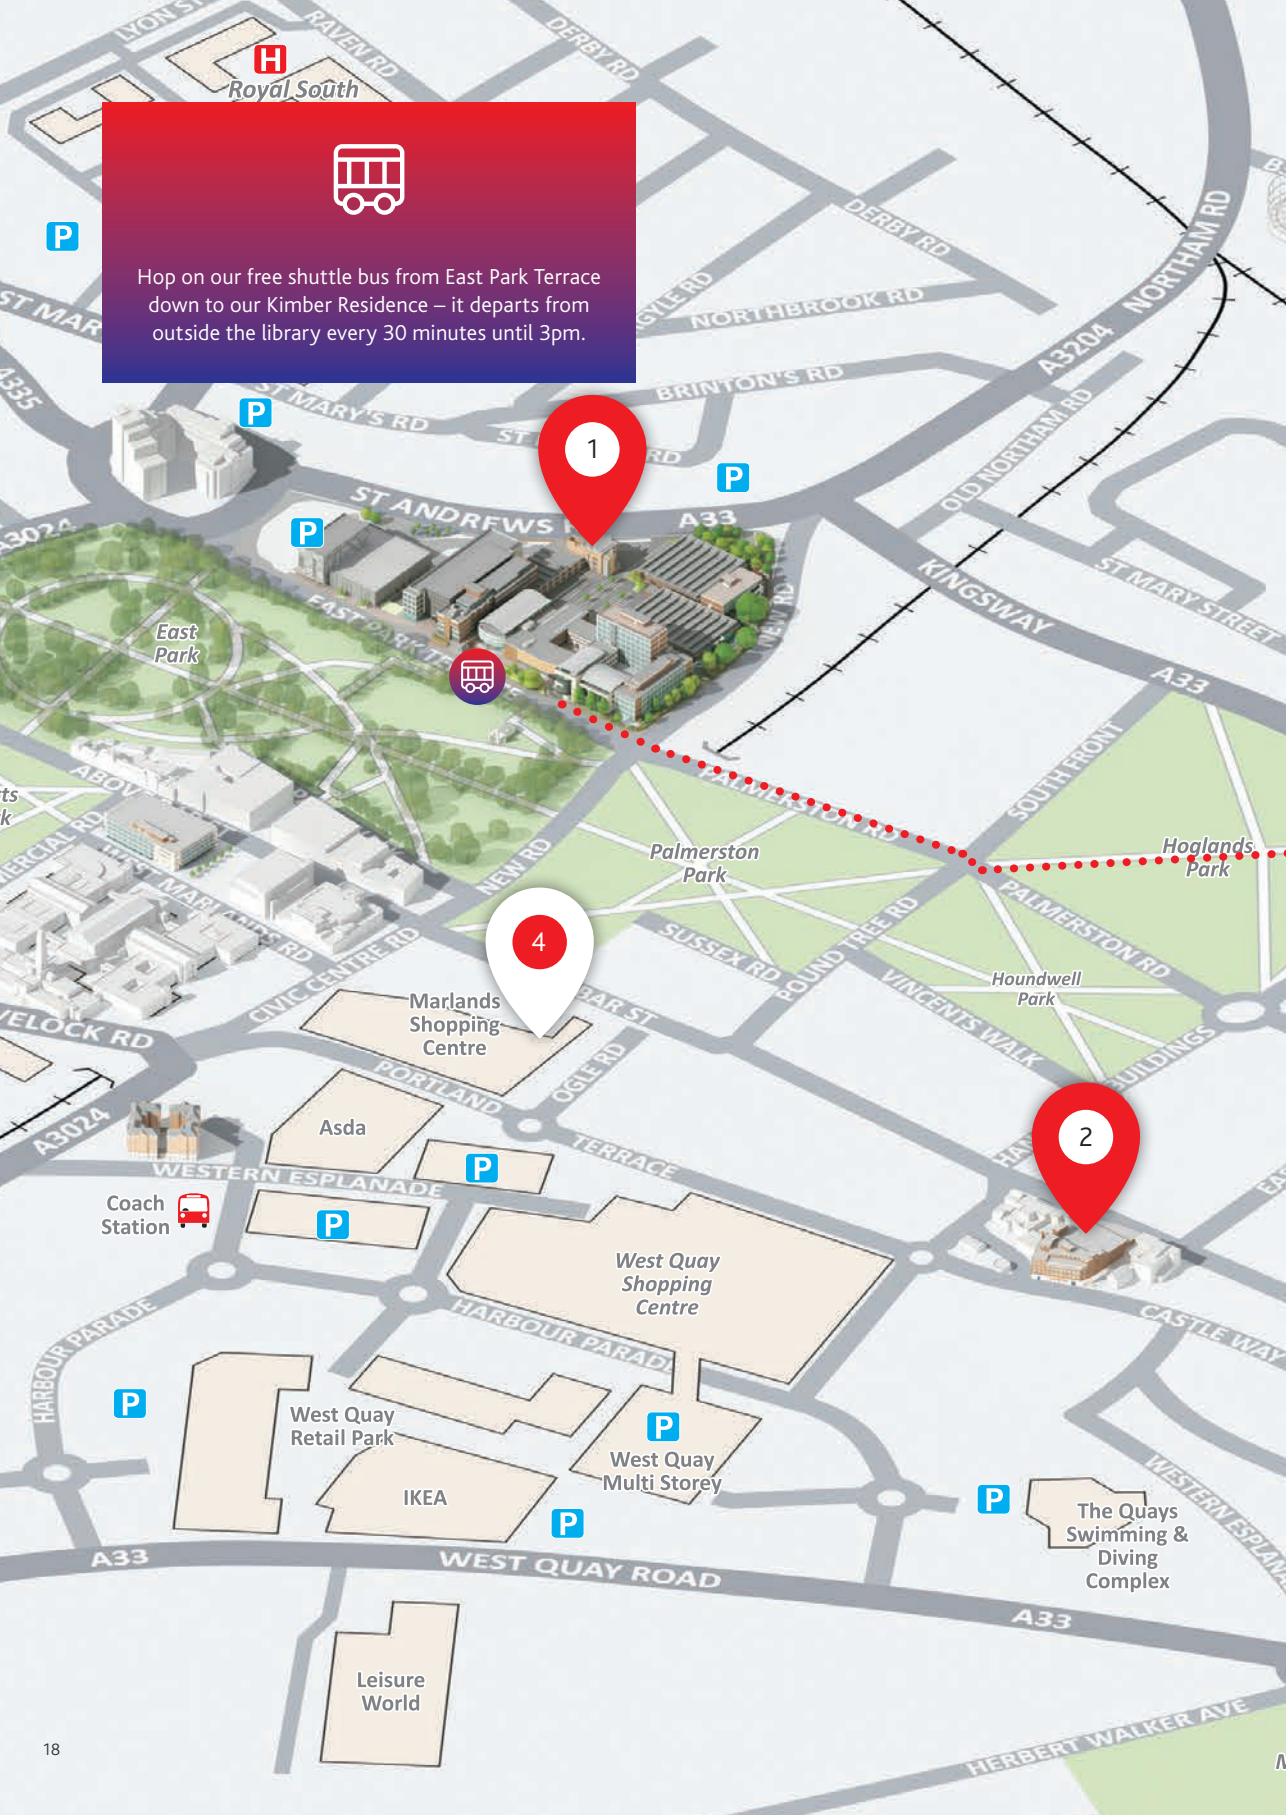

Our accommodation team will be in the Spark Atrium today, so you can ask them any questions you may have.
