

**Southampton
Solent
University**

Film, TV, media production and technology

Undergraduate courses 2026

Best university in Hampshire for learning opportunities, teaching, assessment and feedback, and academic support (NSS 2025).

**THE
SOLENT
I SEE,
SEES ME.**

Do you want to be the next big director, producer, cinematographer, visual effects artist, sound engineer, content creator, or journalist?

Whether you're passionate about indie films, post-production, virtual production, screenwriting, or art direction – or eager to bring your stories to life across today's ever-evolving media platforms – we've got the perfect course to help you turn your creative vision into reality.

At Solent, you won't just sit in a classroom. You'll get real, hands-on experience, work with the latest media tech, and connect with industry pros who can help launch your career.

Why Solent?

- **Get behind the scenes** – step into the world of media with hands-on access to professional-level TV and radio studios, a brand-new virtual production stage, a live newsroom, and even our own outside broadcast vehicle.
- **Learn by doing** – our industry-recognised courses are packed with real-world projects that help you build practical skills from day one.
- **Build your showreel** – work with our in-house creative agencies to create content that stands out, and start building a standout showreel.
- **Connect with the big names in the industry** – we've got links with ITV, the BBC, Sky Sports, Capital FM, Glastonbury, and more – giving you access to amazing opportunities and placements.
- **Trained at Solent, hired by the best** – our grads have worked with top broadcasters like The Athletic, Formula 1 (F1) and talkSPORT, and on hits like *Love Island*, *Strictly*, *Game of Thrones*, *Star Wars: The Rise of Skywalker* and *Avengers: Endgame*. You could be next.
- **Gain insights from industry pros** – with expert tutors, guest speakers and partnerships with Southampton FC and Glastonbury.

Specialist facilities and equipment

Our cutting-edge facilities are designed to recreate professional environments, meeting industry standards and giving you the perfect way to build your experience, develop your skills, and bring your creative ideas to life.

NEW virtual production stage

First used on *The Mandalorian*, this game-changing tech is now part of our teaching. Film, TV and VFX students gain hands-on experience through core and optional modules, while students from many other courses also benefit by collaborating in this cutting-edge facility.

The new virtual production stage is just one example of our ongoing investment in the latest media technology, ensuring all students benefit from an industry-focused learning environment.

Other specialist facilities include:

- Specialist media production store giving you free access to high-end professional cameras, lighting and mics for photography, videography and audio recording
- Acoustics lab
- Audio dubbing suite
- Electronics lab
- Colour grading suite
- Vicon motion capture system
- Editing and post-production suite
- A high-definition, multi-camera outside broadcast vehicle
- Film studio – a dedicated acoustically treated space for set building and filming
- Multi-camera extended reality green screen studio
- Film set capture including LiDAR and chrome balls
- Multi-track music recording studios

- Podcasting studios
- Digital cinema
- Three high-definition TV studios
- Professional-style newsroom and journalism facilities
- Dedicated on-location mini studio for live news bulletins

Take a virtual tour of our state-of-the-art facilities – visit explore.solent.ac.uk

Our media courses achieved positivity measures of 95% for learning resources and 91% for academic support. (NSS 2025)

“Solent opened up a wealth of opportunities that I wouldn't have discovered if I hadn't chosen this course.”

Natalie Shenker, Producer, Sky Creative
BA (Hons) Film and Television graduate

“My studies provided an excellent foundation for my future career. Not just academically, but also through the practical experiences the course offered. I had the opportunity to work with Eastleigh FC, which played a crucial role in securing my position with Southampton FC.”

Adam Whyte, Social Media Lead, Southampton Football Club
BA (Hons) Sports Journalism graduate
