Wherever you are in your application journey – whether you're looking for a course, still need to register with UCAS or exploring accommodation – don't panic, our **GetReady for Uni** series can help.

Join our virtual events that aim to give you a fuller understanding of Solent University, the support available and what it means to study here from a specific **Student Perspective**. Each session will include a keynote speaker, personal journey accounts and an opportunity to participate in a Q&A with our specialist panel.
