

Sustainability 2017

Art, Design & Fashion Competition 2017

Southampton Solent University's challenge for
Visual Artists and Designers

Theme: **Sustainability**

Responding to the theme 'Sustainability' you will be asked to submit one 2-dimensional artwork per entry. You can respond to the theme in any way you wish and have freedom to come up with your own unique response!

Your artwork can be a drawing, illustration, painting, digital composition, graphic design, image/text, photograph or collage.

You will be asked to submit your artwork as an A3 size, 300 DPI high-resolution digital JPEG file (please scan or make high resolution photographs of drawing/paintings/collages). Please submit your file according to the following pixel dimensions: 4961 x 3508

A live submission link will be provided on our website - dates TBC

The winners will also have their work displayed in a public exhibition in Southampton Solent University's 'The Spark' Building in September 2017, alongside winners from the other Design and Fashion competitions.
