Remember: Support you had previously does not automatically continue. Support provided at university may be different to what you have received previously.

In order to set up support, you need to:

- 1) Provide Access Solent with a copy of your current diagnostic evidence (e.g. Educational Psychologist report, medical letter).
- 2) Complete this form and the Access Solent registration form and return to Access Solent.
- 3) Apply for Disabled Students' Allowance (DSA) if you are eligible. More information is available at <https://www.gov.uk/disabled-students-allowances-dsas> . Apprentices are not eligible to apply for DSA
- 4) You need to meet with an Access Solent Adviser to fully set up support. Once our Advisers have read your returned documents, they will advise you on next steps.

Please turn over page to complete the next section

Please provide details of your declared condition/s and the impact this may have on your study activities. Please include details of any specific support you previously received at school/college/work. Information you provide here may be shared within the University to help to plan for your potential support.

Name and description of your condition(s)

Assignment work and essay writing
